## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Brian F. Russell (Reg. No. 40,796; Tel. No. 512-343-6116) on 9/26/2005.

The application has been amended as follows: replace "19" on line 5, paragraph [0018] with "21"; and replace "21" on line 7, paragraph [0018] with "19".

2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant: the AGP card 21 shown in fig. 10 is a low profile card, it should be a full height card as stated in the specification. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

### ***Allowable Subject Matter***

3. Claims 6-16 and 19-21 are allowed.

4. The following is an examiner's statement of reasons for allowance: The best prior art of record, Mast (US 4,873,395), and Mendoza (US 6,708,830), taken alone or in combination, fails to teach or fairly suggest a system for configuring a product, comprising at least: an enclosure having an aperture configurable with different form factors, and a plurality of electrical components mounted therein; and a bracket for covering the aperture, having a base portion and a movable portion that is movable relative to the base portion between an extended position to cover the aperture in a second form factor, and a retracted position to cover the aperture in a first form factor as set forth in claim 7; and a bracket having a base portion, a movable portion, and a hinge having an axis located between two ends of the movable portion as set forth in claim 19; and a method of assembling such a system as set forth in claim 6. Claims 8-16, and 20-21 are dependent claims from claims 7 and 19, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
